Subject: Submittal of the TCAG Administrative Modification Amendment No. 2 to the 2011 FTIP

Dear Mr. Aljabiry:

Enclosed for your review and approval is TCAG's Administrative Modification Amendment No. 2 to the 2011 Federal Transportation Improvement Program (FTIP). Amendment No. 2 to the 2011 FTIP modifies one (1) currently programmed project. This amendment adds a note to the Road 80 (Ave 384 to Ave 416) widening project specifying that federal toll credits will be used for matching State Transportation Improvement Program (STIP) funding.

Tulare County Association of Governments certifies that there are no projects in this Amendment No. 2 (administrative modification) included in any other amendment that is currently open for public review.

An electronic copy, including the project summary and CTIPS pages will be sent via email prior to this letter. There are no financial changes with this existing project. Amendment No. 2 to the 2011 FTIP is available online on TCAG's website at <http://www.tularecog.org/>.
