Attention: Joanne Hutton McDermott,

**Subject: Submittal of the Tulare County Association of Governments (TCAG)
Amendment #5 to the 2009 FTIP**

Dear Mr. Aljabiry:

Enclosed for your review and approval is Amendment #5 to the 2009 Federal Transportation Improvement Program (FTIP). Amendment #5 to the 2009 FTIP adds "Lump Sum-Road rehabilitation and resurfacing local streets and roads throughout Tulare County" as new project with a back up list. Amendment #5 is a formal amendment (Type #3 Formal Amendment, Exempt Projects) to the 2009 FTIP. The 2009 FTIP is the programming document that identifies four years (FY 08/09, FY 09/10, FY 10/11, and FY 11/12) of federal, state and local funding sources for projects in Tulare County. Amendment #5 programs local funds (Measure R) into a Lump Sum for Road Rehabilitation with a back up list that may be eligible for the American Recovery and Reinvestment Act (ARRA) of 2009.

The funding is being programmed in the financial Plan of the 2009 FTIP for TCAG under Local Funding for Measure R as requested by TCAG Board. These projects listed in the Lump Sum back up list are all rehabilitation projects and require no further conformity determination. This amendment does not interfere with the timely implementation of any approved Transportation Control Measures (TCMs).

Amendment #5 to the 2009 FTIP meets all applicable transportation planning requirements per 23 CFR Part 450 and 40 CFR Part 93. It is requested that both the State and Federal approval process be expedited to the extent possible to allow programming the ARRA funds.

A 30-day public review and interagency consultation period was completed on March 14, 2009. A public hearing was held at our regularly scheduled Board meeting on February 23, 2009. The final document has been updated to address public comments received adjusting the total Lump Sum project listing, as per TCAG member agencies comments. The public

participation process for Amendment #5 to the 2009 FTIP is consistent with TCAG board adopted public participation plan. On March 16, 2009, the TCAG Board of Directors approved Amendment #5 to the 2009 FTIP. State and federal approval is required.

Included with this letter are two hard copies of Amendment #5 to the 2009 FTIP. An electronic copy of the four year financial plan will be sent via email. The Amendment #5 to the 2009 FTIP is available online on TCAG's website at <http://www.tularecog.org/>.

If you have any questions regarding this document, please contact Ben Giuliani or me at 559-713-3017.

Sincerely,

Eddie W. Wendt

1. **Comment No. 1** by TCAG member agencies discussion through the TCAG Executive Director (Meeting Friday, March 9, 2009) to the back up listing of Local Funding Source Measure R for the Lump Sum Road and Rehabilitation funding to the 2009 FTIP. The meeting determined the project listing and regional shares of the potential American Recovery and Reinvestment Act (ARRA) for the regional shares based on the RSTP amounts given by Caltrans. (see attached table-“ARRA Funding (30% RSTP Portion) Through the FY08/09 Measure R Distribution Process”).

Response:

TUL09-900-Lump Sum-Road Rehabilitation and resurfacing local streets and roads throughout Tulare County-TCAG concurs with member agencies decision to program \$5,470,000 worth of Measure R Local Funds into the 2009 FTIP as a Lump Sum-Road Rehabilitation and resurfacing Local Streets and roads throughout Tulare County. These projects are ARRA eligible for potential funding and are exempt from Air Quality Conformity. TCAG will change the initial request of \$35,973,000 to \$5,470,000.
